

### Five Named to Head Torrance Group Backing Water Replenishment District

Roger Hogue, Mervin M. Schwab, Jack B. Brooks, John Melville and Waldo E. Ford have been named chairmen of the Torrance committee backing the formation of the Central and West Basin Water Replenishment District.

The appointments were announced at a meeting on Tuesday by C. D. Barker of El Segundo, chairman of Division 2 of the replenishment district campaign committee.

Formation of the district will be submitted to voters at a special election Nov. 17.

In accepting the appointment, the five said:

"We are confident Torrance citizens will turn out at the polls to express recognition of the need for underground water replenishment. We soon will announce names of other Torrance residents who will join with us in the campaign to obtain a large turnout and favorable verdict."

Any Torrance organization may request a speaker by calling Replenishment Campaign Headquarters, 7439 E. Florence, Downey, TO 17080.

### VAN SEZ:

Do you know that Joe Louis held the world's heavyweight boxing title longer than any other fighter in that class? Five have won the title in one year and lost it the next and there were three heavyweight champions from 1929 to 1935. Everyone, not just a champion, enjoys the comforts of a fine home. Venetian blinds, for example, not only give you complete privacy, but add a modern, expensive look to your house. You'd be surprised how little they really cost.
